

MORIARTY Business Park

Moriarty Business Park is a planned business/industrial complex adjacent to Interstate 40 near the east end of the City of Moriarty. It is zoned for light and heavy industry, and commercial office spaces. The park consists of 40 acres with building sites available from .91 acre to 2.48 acres. Lots are available for short or long term lease at very attractive rates. Sites may be combined in virtually any configuration to meet requirements. All utilities are available, including electric, water, natural gas and sewer.

10,000 sf building is available and equipped as a call center.
